

MEKIS — GOODBYE (REMIX)
Voice by EMKAY

Lyrics

Would you like to grab my hand? Go on for a ride, I promise you my friend, I won't let you die (x2) Its like I am high above, flying in the sky, I am seeing all the clouds, I am seeing all my guys, I am seeing all my friends, I am seeing all my guys, I wanna say good byes , to all the friends I lied, I wanna say good byes, to all my friend who died
